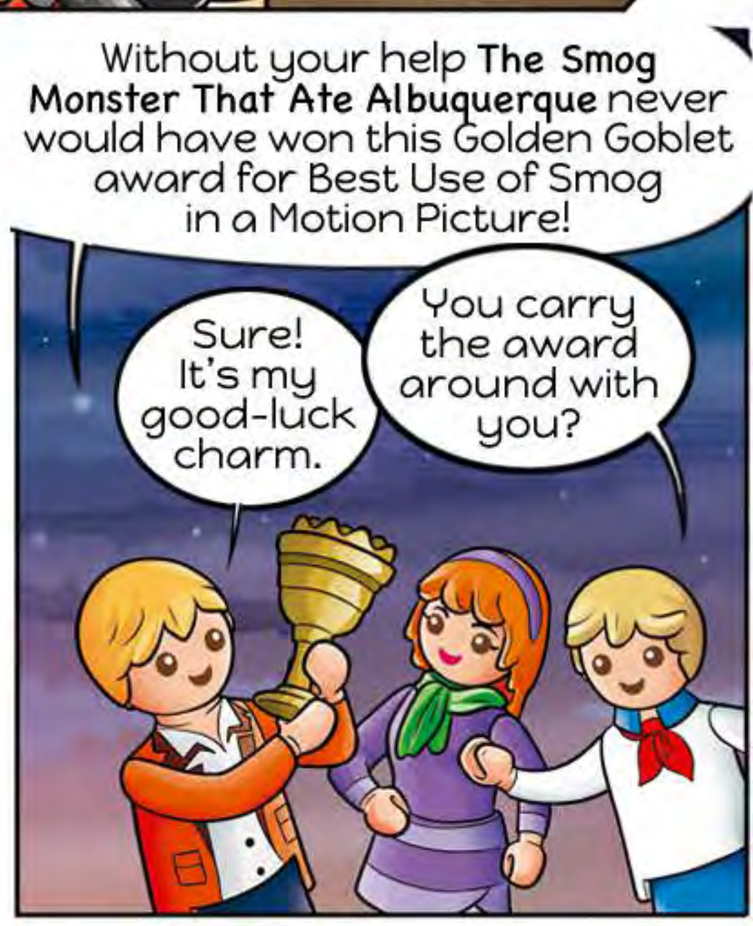
You mean Kyle? He just thinks he's a better actor than he is...
Jinkies! What's his problem?
...but he isn't.

Well, we're thrilled to be in your movie, Mr. Jonesee. Thanks for letting us be extras.
Call me Alvin, Daphne. It's the least I could do, after you kids exposed the phony "monster" that tried to wreck my last film.



Without your help **The Smog Monster That Ate Albuquerque** never would have won this Golden Goblet award for Best Use of Smog in a Motion Picture!
Sure! It's my good-luck charm.
You carry the award around with you?

"After all, **The Smog Monster** even beat out acclaimed art films like **My Dinner with Smog** and **La Plume de Ma Tante** to win the award."

S OFFICE
And **The Great Stagecoach Robbery** is going to be even better, thanks to the atmosphere from this authentic Old West ghost town!
R-r-rhost town?

Relax, Scooby. You know they only call it a "ghost town" because it's deserted. It's not like the town is haunted or anything.
Oh yeah? Tell that to...

...that guy!
Yuh best vamoose, tenderfeet! 'Less'n yuh wanna cross paths with the ghost of Dapper Jack!
Whoooooops!
SPLASSSHH
Haw! Looks like you're all wet, pardner!
One hundred and fifty years ago, the real Dapper Jack was one of the most notorious bandits of the Old West! Is he a character in your movie?
He's not one of my actors!
Are you sure? He's, like, putting on quite a performance!
Naw, you're the ones who're gonna put on a performance, you sidewinders! Dance!
Wh-whatever you say, sir! Like, do you want a soft-shoe or merengue?

If this is a robbery, then the joke's on you! This is stage money... it's not real!

Then I guess I'll take something real... like this!
HEY! Not my trophy!
Why not? It's not like you earned it.
The Smog Monster was a lousy movie!

The ghost saw The Smog Monster?
Sure! Everyone sees my movies!

Adios, yuh yellow-bellied cowards!

Who's he calling a yellow-bellied coward?
Maybe me?
Re roo.
This stagecoach is just what we need!

To, like, ride far away from here?
We yellow-bellied cowards are right behind you!

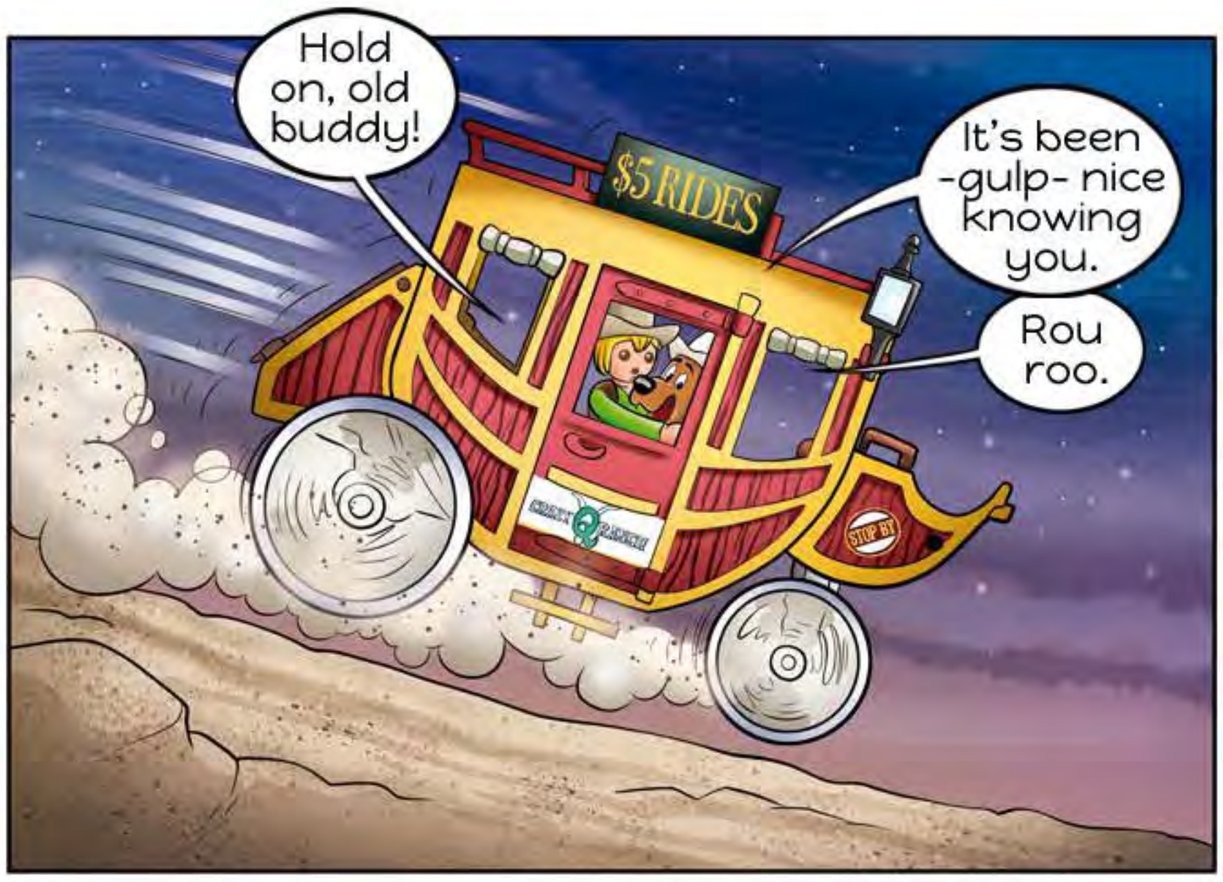
No, we're going to catch that crooked cowpoke!
Now she tells us.
We're gaining on him!
Just a little more...
BANG!
Think so? You can't drive that stagecoach if it ain't hitched to the horses!
Whooaaa!
Raphne! Rare rou rokay?
Without Daphne and the horses, there's, like, nobody steering this runaway roadster!
Zoinks! I'm not so sure we're okay!
Rikes!



Hold on, old buddy!

It's been -gulp- nice knowing you.
Rou roo.

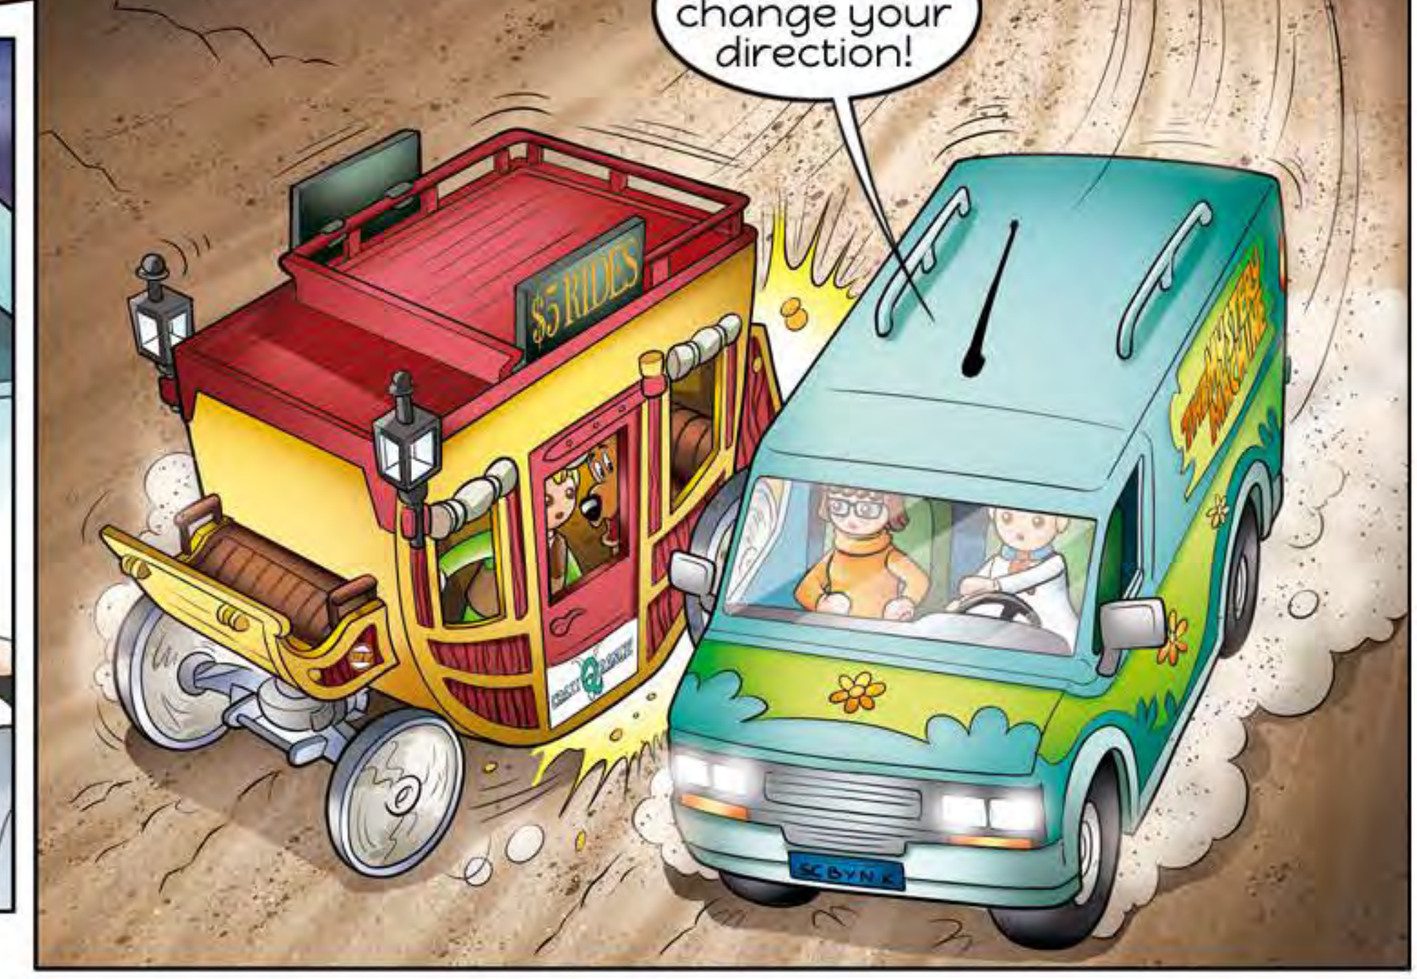
THE MYSTERY MACHINE

If the Mystery Machine bumps the stagecoach too hard, we'll all crash! But if we nudge it gently enough, maybe we can slow you down...



...or at least change your direction!

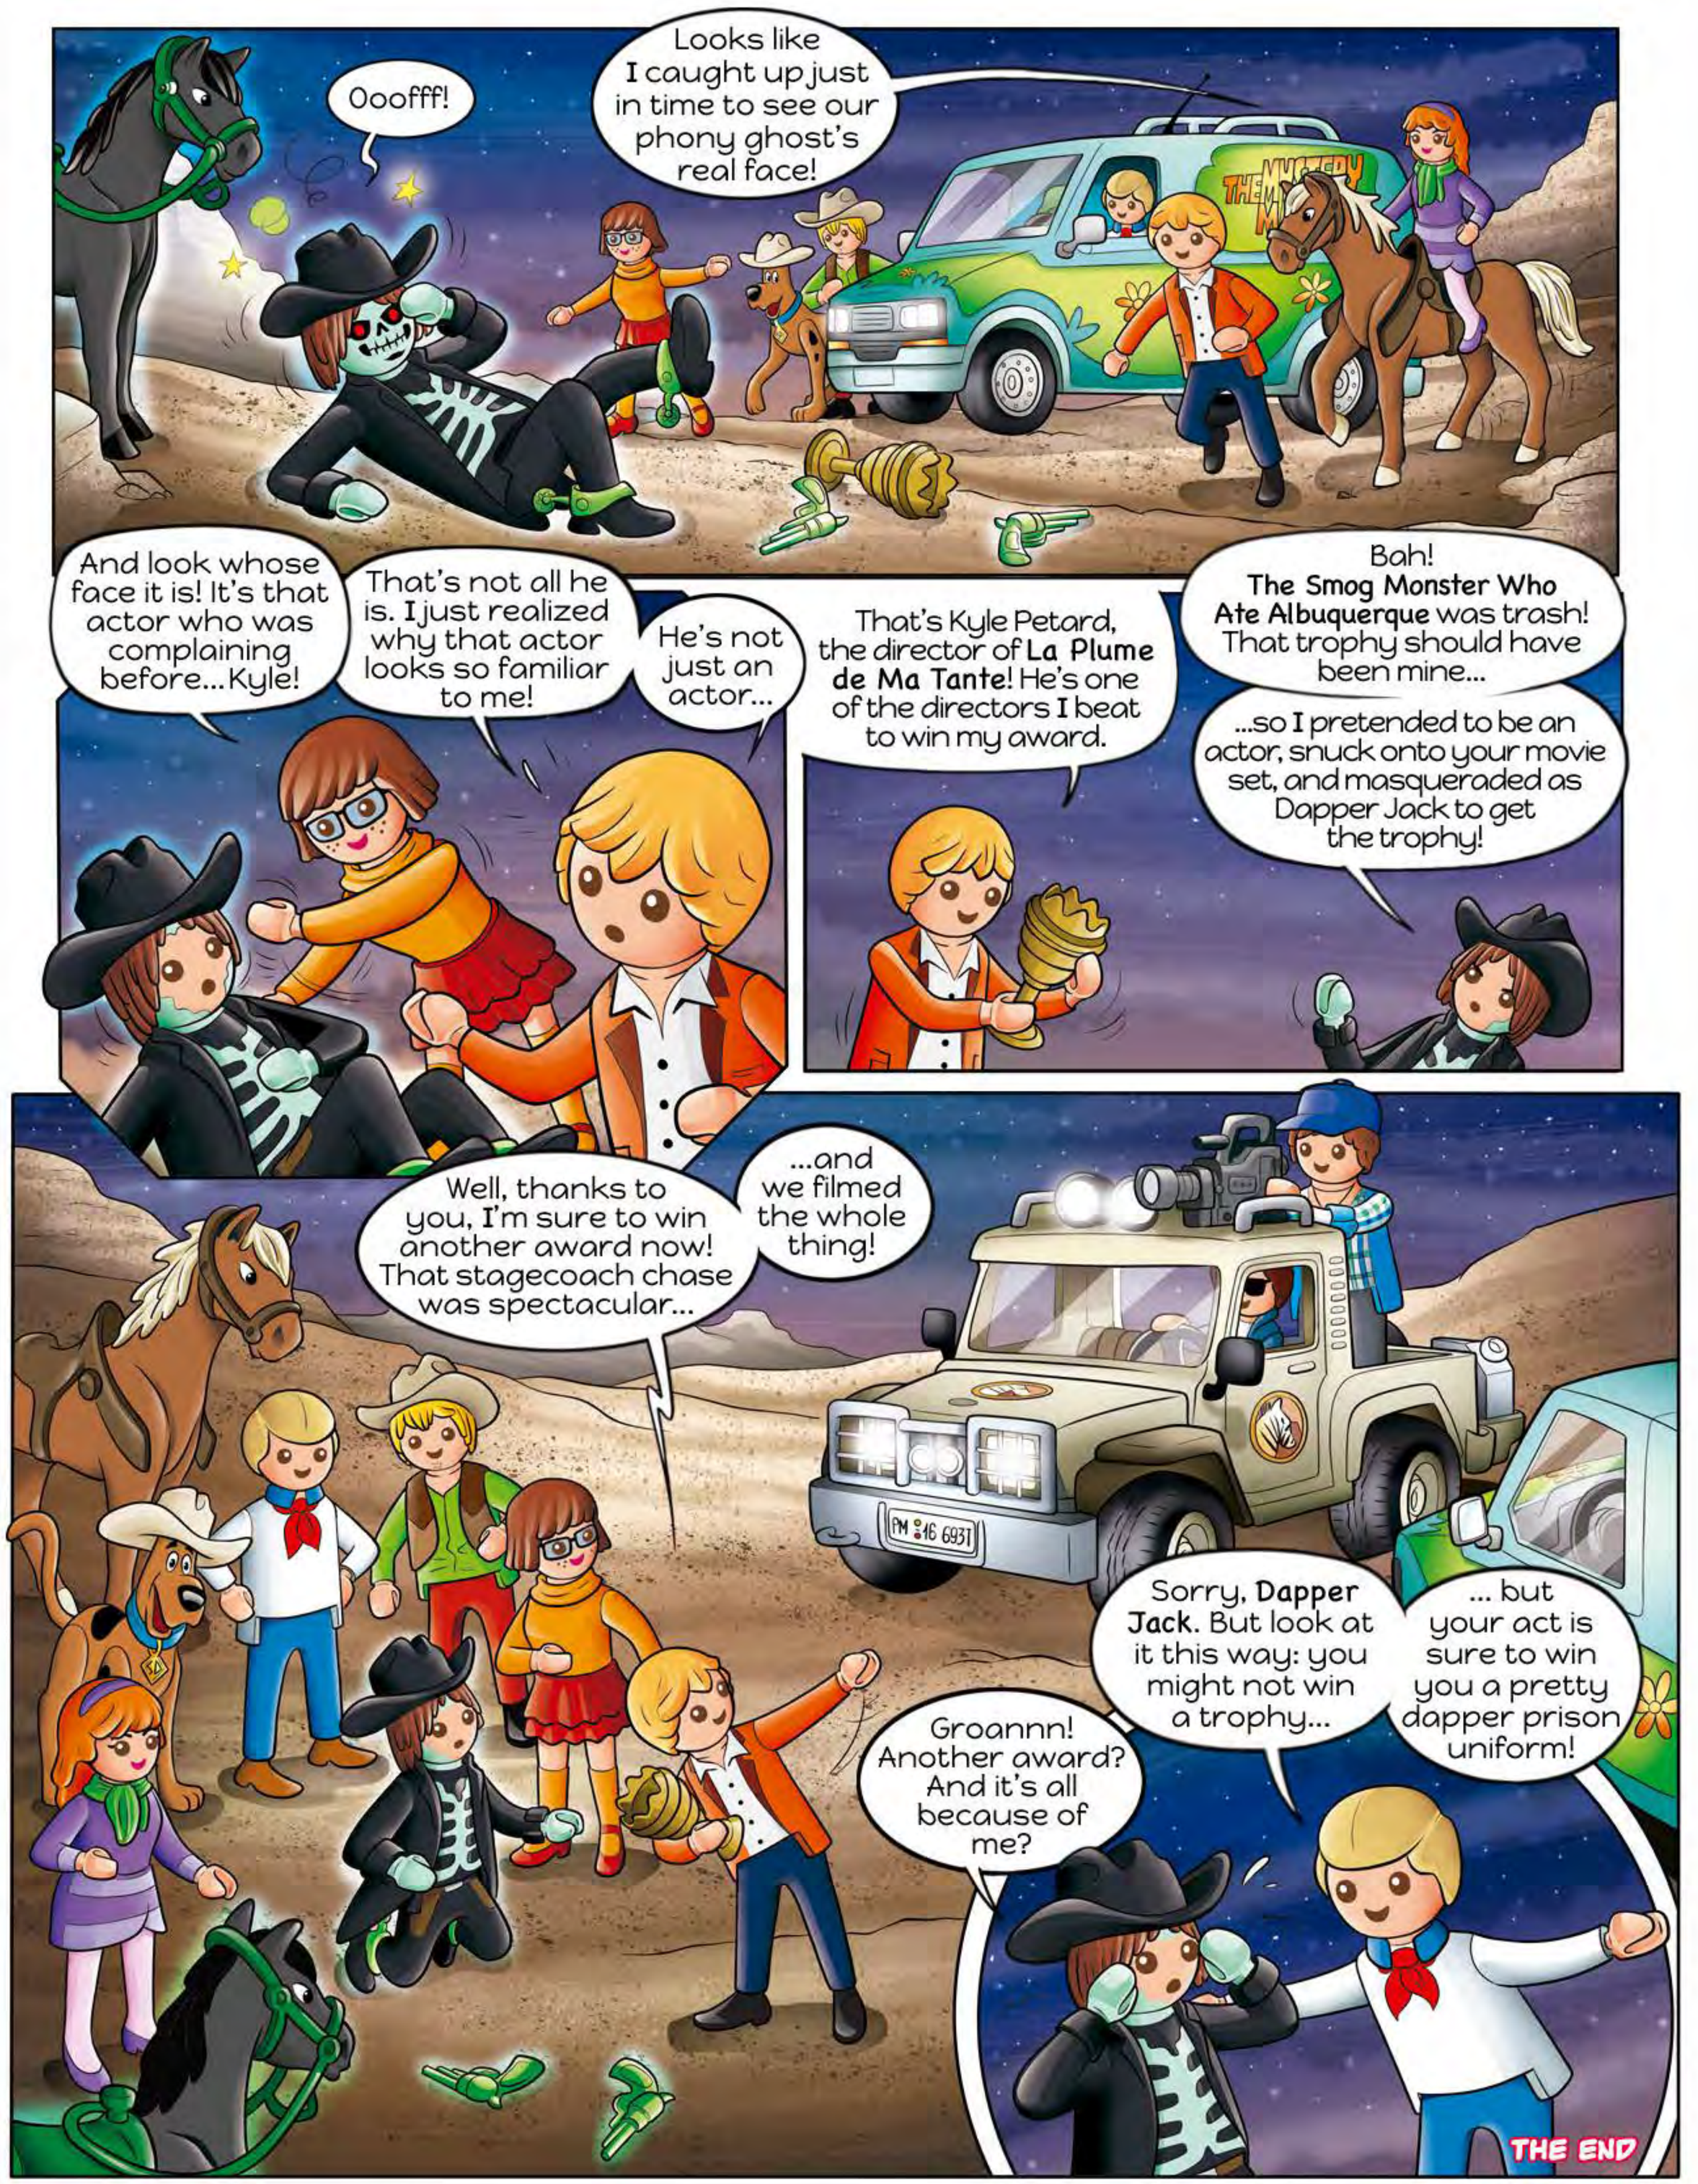
THE MYSTERY MACHINE

J-jump? L-like, onto a speeding van?!
You'll have to jump over to us!
Unless you want to stay on a runaway stagecoach!
Well, when you put it that way...
Roodbye!
Say, I think I'm getting the hang of directing that stagecoach. And I know just where to send it.
Oh no.
WHINNNNNNNEEEEYYYY!
Not a bad trap, if I do say so myself!
Hey! What're you doing, you nutty horse?



Ooofff!
Looks like I caught up just in time to see our phony ghost's real face!
And look whose face it is! It's that actor who was complaining before...Kyle!
That's not all he is. I just realized why that actor looks so familiar to me!
He's not just an actor...
That's Kyle Petard, the director of **La Plume de Ma Tante**! He's one of the directors I beat to win my award.
Bah! **The Smog Monster Who Ate Albuquerque** was trash! That trophy should have been mine...
...so I pretended to be an actor, snuck onto your movie set, and masqueraded as Dapper Jack to get the trophy!
Well, thanks to you, I'm sure to win another award now! That stagecoach chase was spectacular...
...and we filmed the whole thing!
Sorry, **Dapper Jack**. But look at it this way: you might not win a trophy...
... but your act is sure to win you a pretty dapper prison uniform!
Groannn! Another award? And it's all because of me?
