This diagram shows the assembly of a white post. The post (30 03 2822) is built by attaching a yellow Technic axle (30 65 8822) to a yellow Technic bush (30 03 6600) and a yellow Technic pin (30 03 2842). The pin is inserted into the top of the post. Two white Technic pins (30 26 9660) are inserted into the sides of the post. The completed post (30 03 2812) is then attached to a white gate (30 03 2872) using the white Technic pins.
