## PLAYMOBIL 1.2.3 ACCOMPANIES CHILDREN PLAYFULLY DURING THEIR FIRST YEARS OF LIFE!

The first few years are full of formative experiences. There is so much to discover! The world is so big, colorful, and impressive in children's eyes. Everything that is experienced, found, and learned forms an important basis for future learning. PLAYMOBIL 1.2.3 playfully promotes this development because children develop individually in their own way and at their own pace.

### THE PRODUCT LINES OF

1.2.3 AQUA SAND

The PLAYMOBIL 1.2.3 play system is divided into three learning levels which build on each other and specifically promote the development of children between 1½ and 4 years of age.

1½ - 4 YEARS

1 Easy Start

2 First Challenge

3 Little Expert

### 1 Easy Start

Beginner sets with simple figures, where the learning focus is on feeling and exploring, imitating animal sounds, and naming figures, animals, and objects.

### 2 First Challenge

Extended playsets, where the learning focus is on exploring first functions, promoting fine motor skills, and understanding cause and effect relationships.

### 3 Little Expert

Advanced playsets with many functions to discover. The learning focus is on more complex contexts, social skills, and first role play.

The product sets shown are examples.

The sets, which are coordinated within the product lines, specifically support children's development.

Welcome to Novelmores, adventurers!  
 The medieval town of Novelmores became famous through the invention of the "Invincibus" armor, whose mythical powers make those who wear it invincible. It is no wonder that the Burnham Raiders along with the mysterious magicians, and a skeleton army, want to take possession of this armor. Will Prince Arwynn and the Knights of Novelmores succeed in defending the Invincibus?
