

Cool Dragon Mask

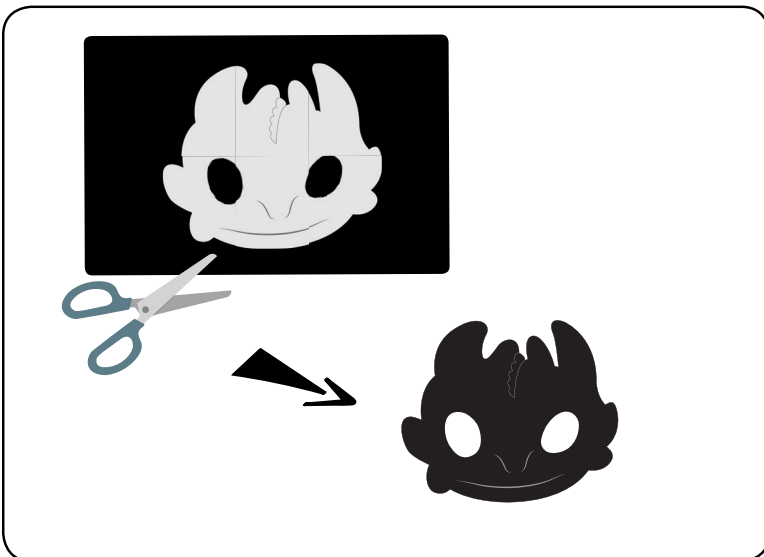

You will need:

- thick paper
- string
- scissors
- chalk

Instructions:

Step 1:

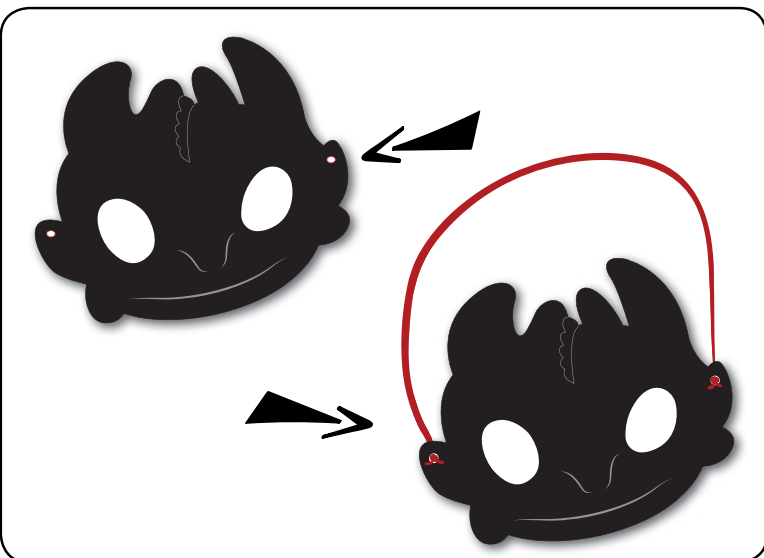

Cut out the mask template along the outer lines. Then, cut out the red eye areas

Step 2

Place the mask template on a piece of thick paper. Next, draw the shape on the paper and cut it out.

Then, draw the missing details on the mask with the white pencil.

Step 3:

Punch a hole in each ear with a pair of scissors. Next, pull the string through the holes and knot the ends.

Your mask is ready!

Have fun!
