

VACATION LEXICON

Print out the two sheets of the book with a color printer. First, cut of the white frame of the sheet along the dotted lines.

Fold the sheets in the center of the black line. Afterwards glue together the white insides.

Now you can stitch the pages or tie them together with a ribbon. Pay attention to the correct sequence of pages (Page 1 - 6). Now you can make entries in your personal explorer book..

Have Fun!
