

HENRY'S FIRE ON

HENRY HARPER IS A REPORTER AND IS WRITING AN ARTICLE ABOUT THE FIRE SERVICE IN HIS TOWN. HARRY WILL OBSERVE THE FIREMEN AS THEY WORK FOR A WEEK AND JOIN THEM ON SOME OF THEIR JOBS.

AS IT HAPPENS, TWO NEW FIREFIGHTERS HAVE JUST JOINED THE CREW. THEY'LL GET INSTRUCTIONS AND TRAINING FROM THEIR NEW COLLEAGUES.

THIS WAY, HENRY WILL LEARN EVERYTHING A FIREFIGHTER NEEDS TO KNOW AND DO.

THAT'S
WHAT I'VE BEEN
WONDERING!

HI HENRY!
WHAT'S UP?

I'VE BEEN
SHADOWING YOU FOR
THREE DAYS NOW, AND
THERE HASN'T BEEN A
SINGLE FIRE
ALARM!

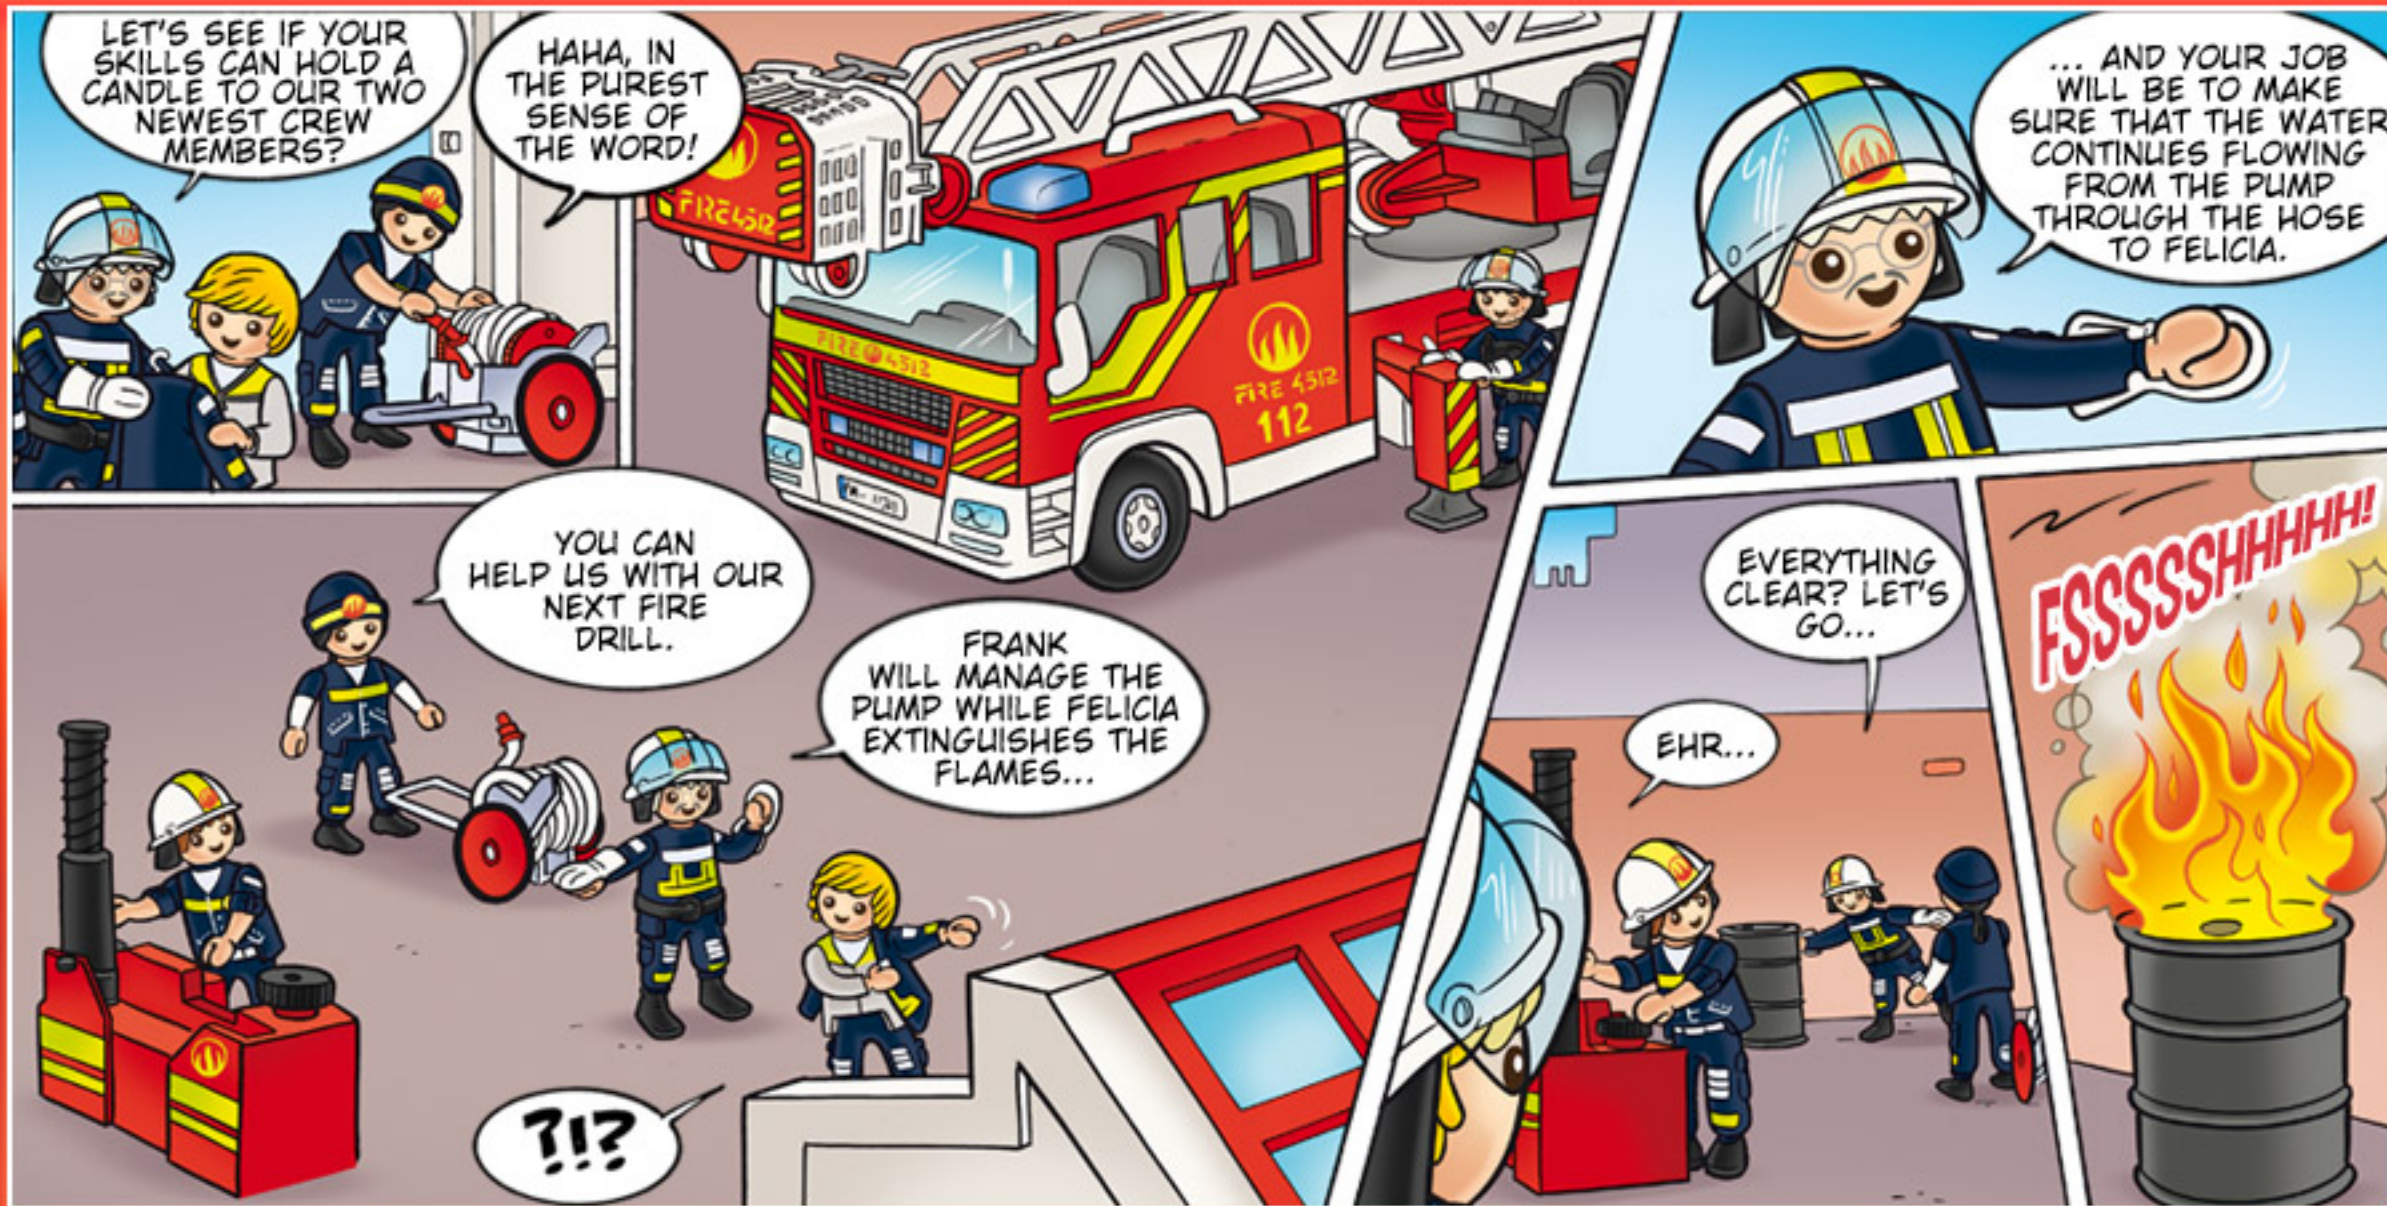

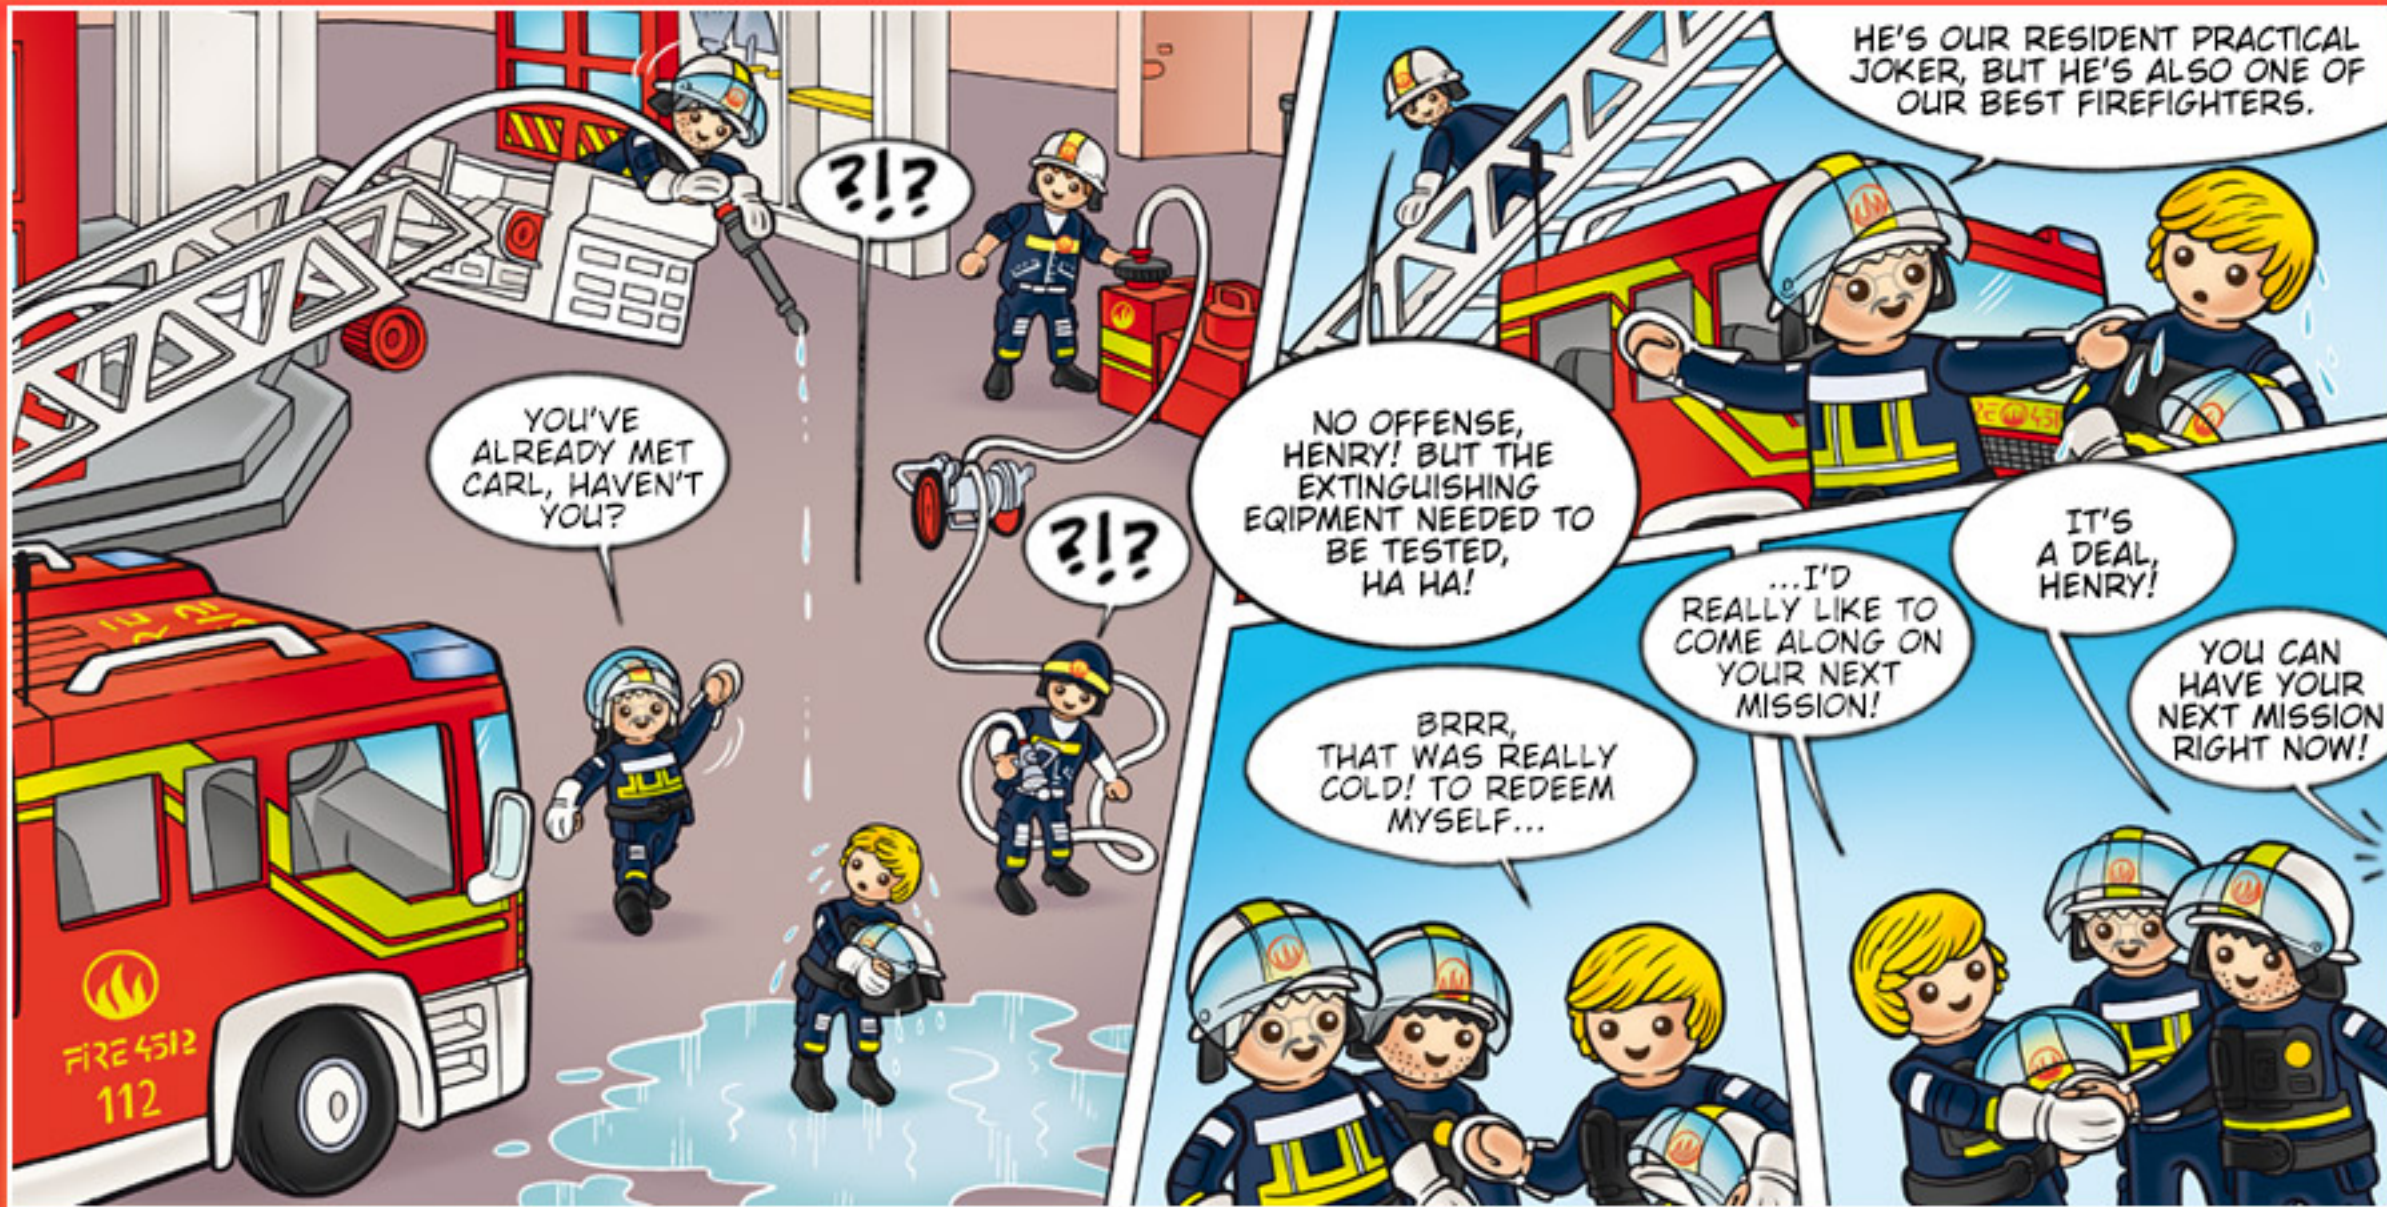

AND FINALLY...

CLAP!

HE'S OUR RESIDENT PRACTICAL JOKER, BUT HE'S ALSO ONE OF OUR BEST FIREFIGHTERS.

YOU'VE ALREADY MET CARL, HAVEN'T YOU?

NO OFFENSE, HENRY! BUT THE EXTINGUISHING EQUIPMENT NEEDED TO BE TESTED, HA HA!

IT'S A DEAL, HENRY!

...I'D REALLY LIKE TO COME ALONG ON YOUR NEXT MISSION!

YOU CAN HAVE YOUR NEXT MISSION RIGHT NOW!

BRRR, THAT WAS REALLY COLD! TO REDEEM MYSELF...

?!?

A PIPE
BURST ON WATERY
LANE! A CELLAR IS
FLOODED WITH
WATER.

NO PROBLEM,
BOSS. THIS IS A
ROUTINE JOB. AND, WITH
HENRY'S HELP, WE'LL
MANAGE.

WON'T WE
HENRY?

THE NEWCOMERS WILL
COMPLETE THEIR FIRST
NIGHTSHIFT TODAY, UNDER MY
COMMAND. THEREFORE, THEY
NEED TO GET SOME REST
UNTIL THEN.

OKAY! I'VE ALSO
ALERTED TOM AND
DAVE, SO YOU CAN
PICK THEM UP ON
YOUR WAY.

ALRIGHT,
BOSS!

AND SO...

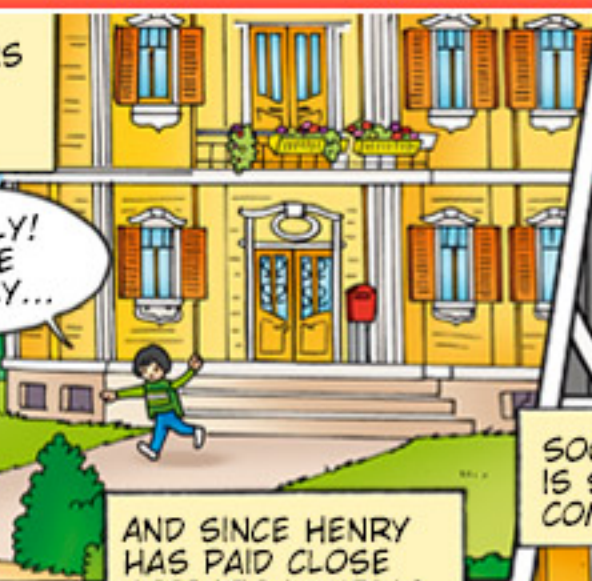

WOW,
MY FIRST REAL
MISSION!

AFTER PICKING UP FELLOW FIREFIGHTERS TOM AND DAVE, THE TEAM ARRIVES AT THEIR DESTINATION.

FINALLY!
COME
QUICKLY...

AND SINCE HENRY
HAS PAID CLOSE
ATTENTION DURING
THE TRAINING, HE IS
NOW A GREAT HELP
TO THE TEAM.

THANKS TO THE SKILLS
OF THESE EXPERIENCED
FIREFIGHTERS, EVERYTHING
IS RUNNING SMOOTHLY...

SOON, THE OPERATION
IS SUCCESSFULLY
COMPLETED.

BUT...

ARE YOU A REAL
FIREFIGHTER?

EHR...
YES. AT LEAST,
FOR TODAY
I AM!

TIME
FOR A BREAK!
BACK TO THE
FIRE STATION!

RRRRRIIIIIINNNGGG!

A FEW MINUTES LATER
THE OPERATION IS IN
FULL SWING...

HEAVE-
HO!

LET
THERE BE
LIGHT!

FASTER,
GUYS!

THIS
SHOULD MAKE IT
EASIER TO SEE,
FRIENDS!

TRICKY
SMOKE.

THANKS,
CARL!

CRACK!

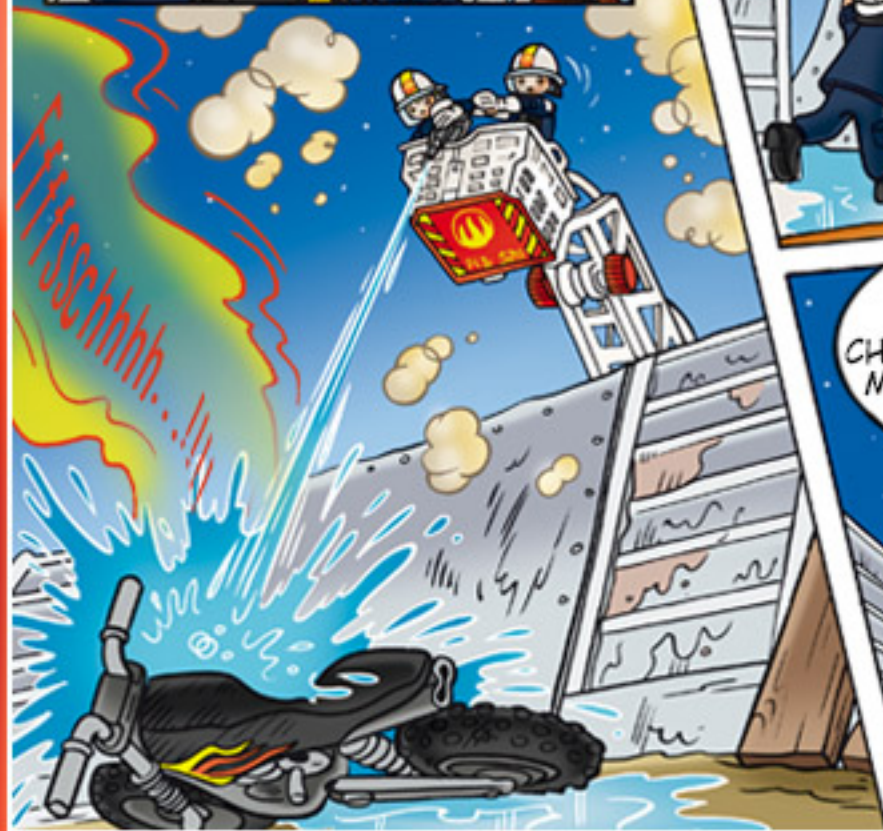

THE GATE EVENTUALLY
GIVES WAY, AND THE
TEAM GETS READY...

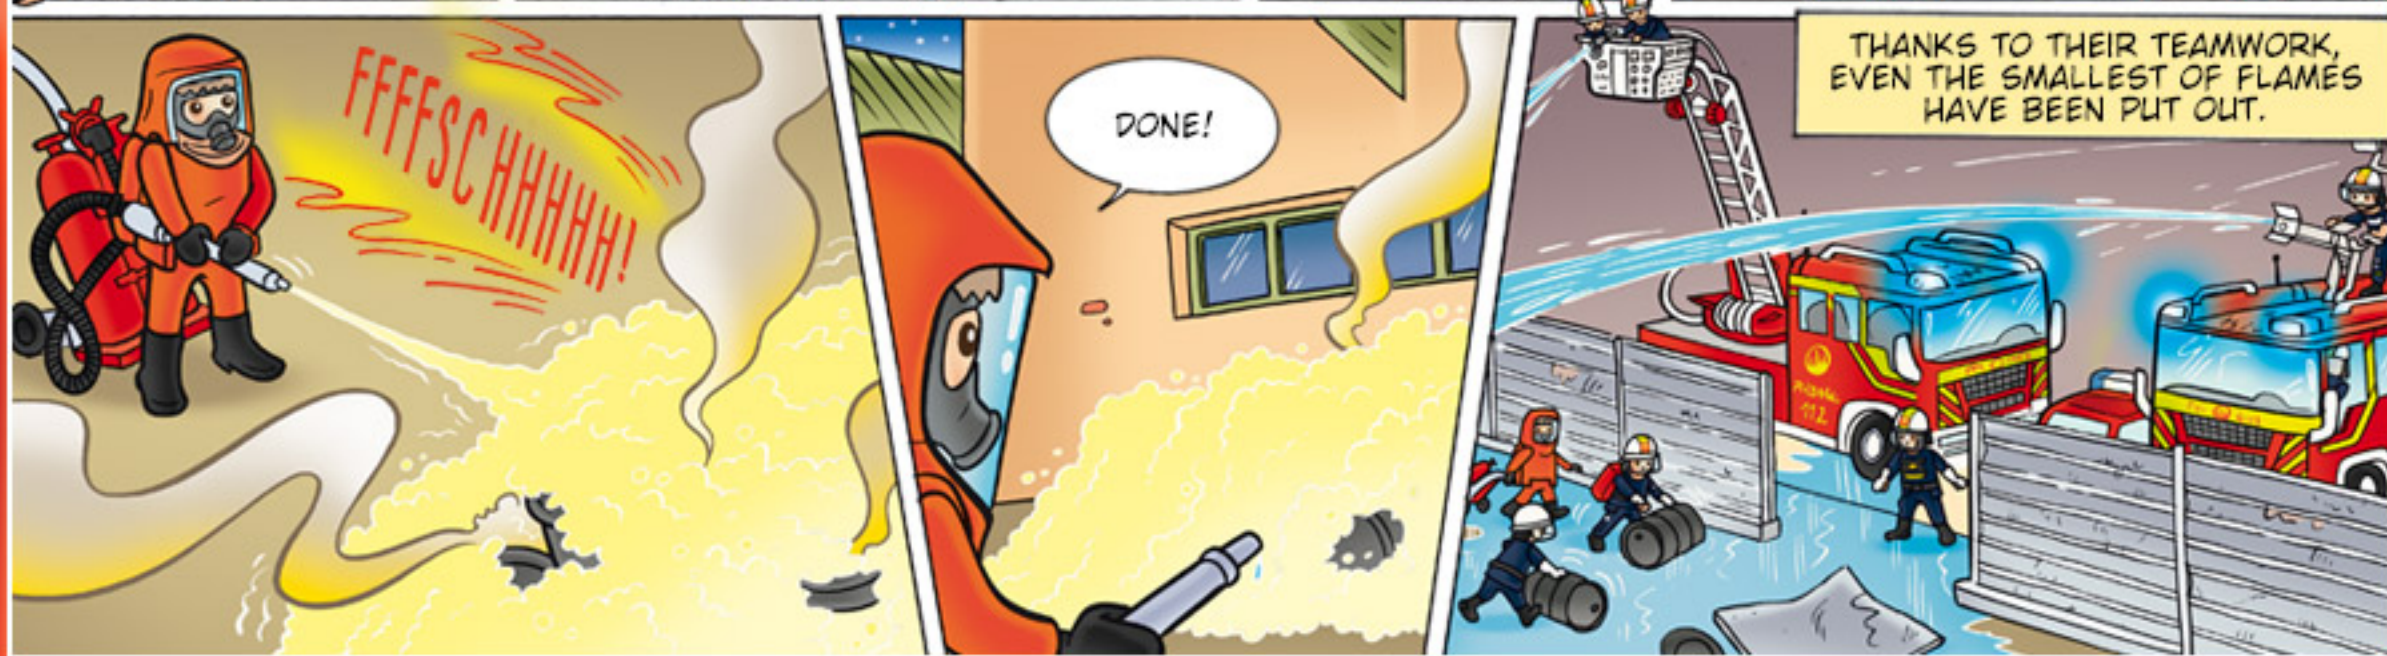

STOP! DON'T
DRIVE ONTO
THE GROUNDS
YET!

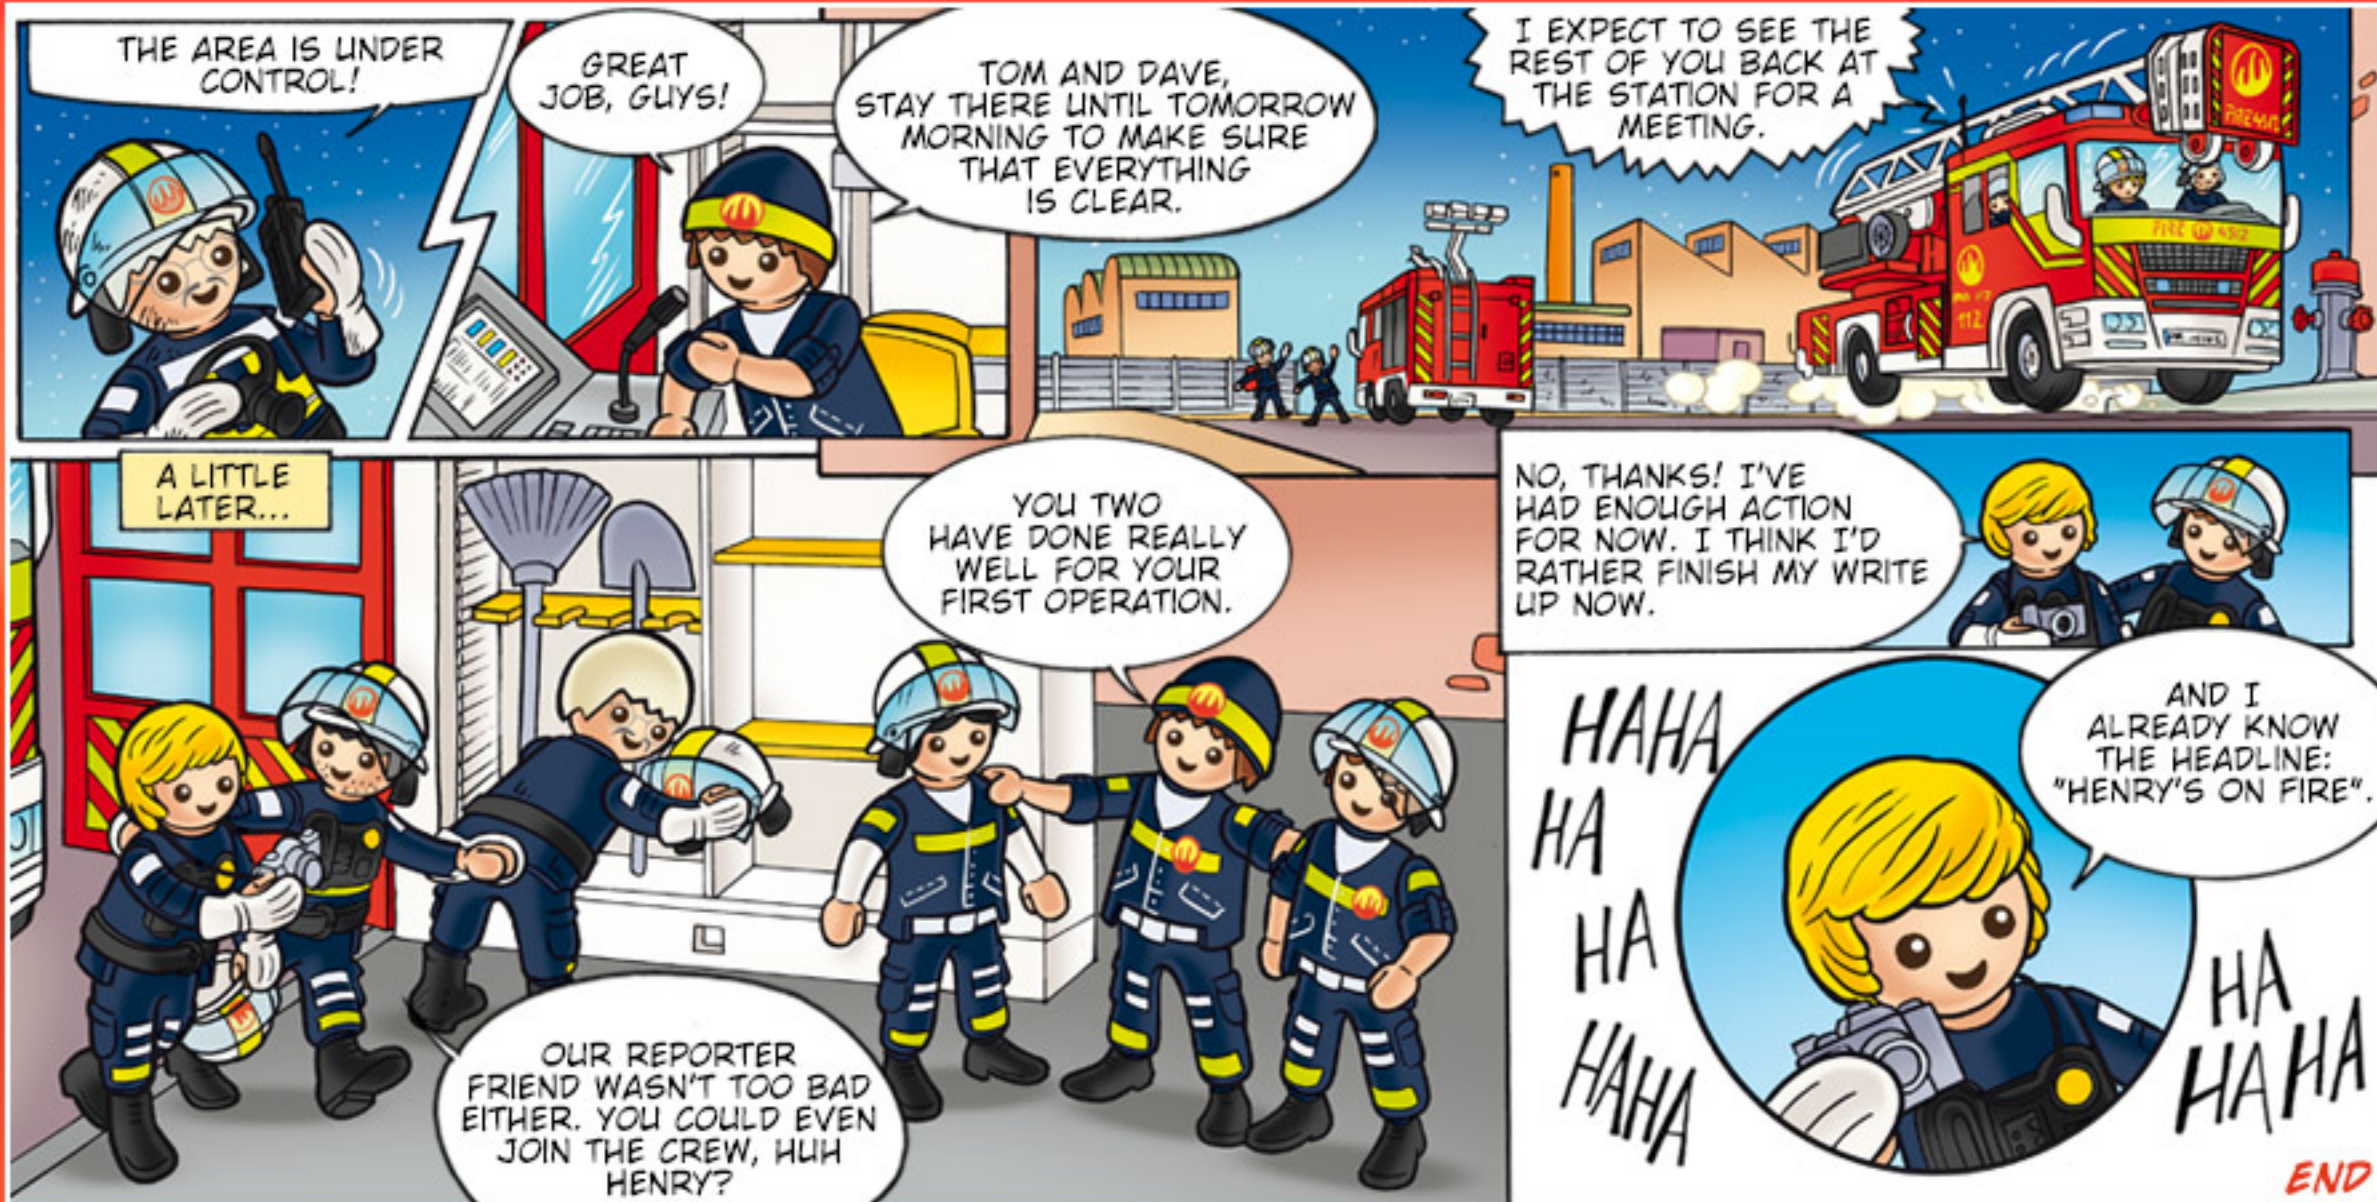

THOSE
BARRELS MIGHT
CONTAIN TOXIC
CHEMICALS. YOU'LL NEED
MORE THAN WATER TO
FIGHT THOSE
FLAMES.

WE HAVE
TO PREVENT THE FIRE
FROM SPREADING TO
THE FACTORY
BUILDING!

THE AREA IS UNDER CONTROL!

GREAT JOB, GUYS!

TOM AND DAVE, STAY THERE UNTIL TOMORROW MORNING TO MAKE SURE THAT EVERYTHING IS CLEAR.

I EXPECT TO SEE THE REST OF YOU BACK AT THE STATION FOR A MEETING.

A LITTLE LATER...

YOU TWO HAVE DONE REALLY WELL FOR YOUR FIRST OPERATION.

NO, THANKS! I'VE HAD ENOUGH ACTION FOR NOW. I THINK I'D RATHER FINISH MY WRITE UP NOW.

OUR REPORTER FRIEND WASN'T TOO BAD EITHER. YOU COULD EVEN JOIN THE CREW, HUH HENRY?

AND I ALREADY KNOW THE HEADLINE: "HENRY'S ON FIRE".

HAHA
HA
HA
HAHA

HA
HAHA
