The EverDreamerz

Meet Rosalee, Viona, Edwina, Clare, and Starleen - five teenagers with big dreams. The friends discover a mysterious amulet that transports them into the realms of their own dreams. In the first part of their exciting story, the friends travel to Rosalee's dream world, a candy-themed world full of sweets, where the friends meet many different characters, overcome obstacles, and face their fears. But, nothing can stand in the way of their unique friendship!

EverDreamerz

**artistic,
dreamy,
and reserved**

Viona

Viona is the mysterious dreamer of the group. She's very shy and prefers to express her feelings in poems and pictures. She finds chocolate irresistible, as does her panda who likes taking a nibble from her chocolate bar.

Clare

**forward-thinking,
realistic,
and full of ideas**

Clare is great at thinking logically and, as the brains of the group, always has a solution for any difficult situation. She comes up with her best ideas while eating a doughnut and petting her alpaca.

Edwina

**adventurous,
sporty, and
quick-witted**

Edwina is the sportiest of the girls. There's no sport that Edwina hasn't tried! She's active and open to new challenges. The only time she takes a break is when there are fresh waffles.

Starleen

**full of energy,
striking, and
confident**

Starleen enjoys being the center of attention. She loves singing and dancing, and often spends hours in front of the mirror practicing for her next performance. After the show, she likes eating strawberry ice cream with her friends.

Rosalee

**caring,
trustworthy,
and determined**

Rosalee loves sweets! She's always there for her friends and knows what makes each one of them tick. Her warm and caring nature means that she always manages to hold them all together.

Welcome to Rosalee's dream world!
The magical amulet transports the girls into a fun world full of sweets; the treetops and clouds are made of fluffy cotton candy, the streets are paved with chocolate cookies, and the grass is made of sweet and sour candy strips.

Ouch!
Does anyone
know where
I can find a dentist?

Mmm,
yummy
cookies!

I'll make sure that
your dreams turn
into nightmares!

Mr. Cookie Bear

Toothache

Mrs. Bubble Gum

Mrs. Milkshake

Mr. Chocolicious

Lady Nightmare

When they encounter long-suffering Toothache, the friends soon notice that not everything is as perfect as it seems in the world of sweets. He is suffering from eating too many sweets and looking for someone to help him. But the thought of having to visit a dentist scares Rosalee.

The EverDreamerz think about what the Balloon Lady said and decide to leave the amusement park. They then arrive at a giant tooth-shaped building. When they walk in, they see Toothache as he happily jumps out of the dentist's chair. Rosalee starts trembling and goes pale. Her friends put their arms around her to comfort her. They take turns having their teeth checked by Mr. Dentist, and then it's Rosalee's turn. She sits reluctantly in the chair, but then sees that going to the dentist isn't that bad after all. This breaks Lady Nightmare's spell and the EverDreamerz can leave Rosalee's dream world!

Ugh, I wasn't able to ruin your dreams this time, but the next dream world is yours, Edwina, and I'll make sure that it turns into a nightmare!

I faced my greatest fear. You can, too!
