NOVELMORE

Nachdem die Novelmorianer und die Burnham Raiders ihre Feindseligkeiten begraben und gemeinsam die fünf Reiche vor dem Untergang bewahrt haben, müssen sie sich gegen den dunklen Zauberer Umbrathor erneut verbünden. Auf der Suche nach alten Verteidigungsplänen stoßen sie in den Archiven Novelmore auf eine weitere Prophezeiung: Die Weissagung erzählt von dem sogenannten Guardian, einem mächtigen Krieger, der das sagenumwobene Wächter-Schwert trägt – jene vor Jahrhunderten von Jahren geschmiedete Waffe, die allein zur Verteidigung eingesetzt wird und dem Reich seines Trägers Schutz und Sicherheit für alle Zeiten garantiert. Um den Guardian ausfindig zu machen, veranstalten Arwynn und Pyralia das Turnier des Wächters. Hier können sich die Ritter Novelmore und Burnhams in den verschiedensten Disziplinen beweisen und behaupten. Als Dario jedoch herausfindet, dass nur ein einziges Reich am Ende vom Guardian beschützt werden kann, wird aus dem anfangs freundschaftlichen Turnier schnell bitterer Ernst. Die Unterstützung aus der Schattendimension vom längst verloren geglaubten Brody kommt den Raiders da genau recht.

After ending their hostilities and saving the Five Realms from collapse, the Novelmorians and the Burnham Raiders must once again unite against the dark wizard, Umbrathor. In the search for old defensive plans they stumble across another prophecy in the Novelmore archives: The prophecy tells of the Guardian, a mighty warrior, who bears the legendary Guardian Sword, a weapon forged centuries ago, that can only be used in defence and guarantees the realm of its bearer protection and safety for all time. To track down the Guardian, Arwynn and Pyralia hold the Tournament of the Guardian. Here the Novelmore and Burnham knights can contend and prove themselves in the different disciplines. However, when Dario finds out that only one realm can ultimately be protected by the Guardian, the initially friendly tournament quickly turns to bitter seriousness. Support from the long-lost Brody from the Shadow Dimension is just what the Raiders need.

Après avoir enterré la hache de guerre et empêché ensemble la chute des cinq royaumes, les chevaliers de Novelmore et les Burnham Raiders doivent à nouveau s'unir pour affronter Umbrathor, le sorcier des forces obscures. À la recherche d'anciens plans de défense dans les archives de Novelmore, ils tombent sur une nouvelle prophétie : il existe le Guardian, un puissant guerrier qui porte la légendaire épée du gardien – une épée forgée il y a des millénaires, uniquement utilisée pour se défendre et qui garantit protection et sécurité éternelles au royaume de son porteur. Pour trouver le Guardian, Arwynn et Pyralia décident d'organiser le Tournoi du Gardien. Les chevaliers de Novelmore et de Burnham peuvent s'y affronter dans les disciplines les plus diverses. Mais lorsque Dario apprend que le gardien ne peut protéger qu'un seul royaume, le tournoi qui avait commencé dans une ambiance amicale prend vite une tournure beaucoup plus sérieuse. C'est alors que depuis la dimension de la pénombre, revient Brody qu'on croyait perdu depuis longtemps : un soutien qui tombe à point nommé pour les Raiders.

Después de que los Novelmorianos y los Bandidos de Burnham hayan enterrado sus hostilidades y salvado juntos a los cinco reinos de la ruina, deben aliarse de nuevo contra el mago oscuro, Umbrathor. Mientras buscan antiguos planes de defensa, encuentran otra profecía en los archivos de Novelmore: Habla de un llamado Guardián, un poderoso guerrero que porta la legendaria Espada del Guardián, esa arma forjada hace siglos, utilizada únicamente para la defensa y que garantiza la protección y seguridad del reino de su portador para siempre. Para localizar al Guardián, Arwynn y Pyralia organizan el Torneo del Guardián. Aquí, los caballeros de Novelmore y Burnham pueden demostrar su valía y enfrentarse en una gran variedad de disciplinas. Pero cuando Dario descubre que al final solo un reino puede ser protegido por el Guardián, el torneo, inicialmente amistoso, se convierte rápidamente en algo muy serio. Es entonces cuando, desde la Dimensión de la Sombra, regresa Brody justo a tiempo para apoyar a los Bandidos.
